FEES ARE PAYABLE WHETHER A PROJECT RECEIVES APPROVAL, DENIAL, OR IS CANCELLED. ALL FEES OVER AND ABOVE THE INITIAL APPLICATION FEE ARE PAYABLE BEFORE FINAL APPROVAL AND OR FINAL SIGNING OF MAPS. ALL FEES ARE NON-REFUNDABLE

***Please be advised that it is the obligation of the applicant to be aware of all deadlines and to actively pursue the approvals that the applicant has requested. Failure by the applicant to show due diligence and or to Maintain an active contact with the Board or its representative may result in a Resolution of the Board to cease review of the application, closure of the hearings, and or denial of the application.

**MEETINGS:** Regular meeting is held the second Wednesday of the month and the work session is held the fourth Wednesday of each month, both at 7:30 p.m. All submittals are reviewed by the Planning Board Consultants prior to placement on an agenda. If the maps are not complete enough, the applicants name will be removed. It is the APPLICANTS responsibility to find out where their application has been placed. Failure to notify the secretary five–(5) working days in advance of withdrawal of submittal will require new fee and date.

**SUBMITTALS:** Planning Board Office Submittal: Eleven (11) copies of everything being submitted to be hand delivered to the Town Hall, Ridgebury Hill Road between the hours of 9:00 a.m. and 12:30 and 1:30 to 4:00 Monday through Friday. If mailed, send to 80 Ridgebury Hill Road Slate Hill, New York 10973. Making sure they are received ten (10) working days prior to the meeting date.
Consultant Submittal:

Applicant is responsible for delivery of maps / correspondence to the following agencies ten working days before a meeting:

Planning Board Consultant:

Patrick J. Hines, Principal  
MCGOEY, HAUSER & EDSALL Consulting Engineers, PC  
33 Airport Center Drive Suite 202  
New Windsor, New York 12553  
Phone: (845) 567–3100  
Fax: (845) 567–3232

Landscape Architect  
Robert Hansen  
845–858–4156  
12 Toad Pasture Road  
Westtown, New York 10998

When proposed project is on a County, State or Town Road, maps and a cover letter must be delivered to the Planning Board Secretary, so that she may send to the appropriate departments below. Once a reply is received and comments have been addressed you do not need to re-submit again.

- COUNTY ROAD: O.C. Dept. of Public Works  
2455–2459 Route 17M  
Goshen, N.Y. 10924  
Attn: Mr. Edmund Fares

- STATE ROAD: NYS Dept. of Public Works  
3233 Route 6  
Middletown, N.Y. 10940  
Attn: Resident Engineer
• **TOWN ROAD:**
  Town of Wawayanda
  Superintendent of Highways
  74 Ridgebury Hill Road
  Slate Hill, New York 10973
  Attn: Thomas J. DeBlock

Please deliver maps and a cover letter to the Planning Board Secretary so she may send to the appropriate Fire District. Once submitted and comments or concerns have been addressed you do not need to re-submit.

• **NEW HAMPTON:**
  New Hampton Fire Company
  Rte 17M
  P.O. Box 386
  New Hampton, New York 10958
  Attn: Fire Chief / John Glen

• **SLATE HILL:**
  Wawayanda Volunteer Fire Co.
  P.O. Box 3
  Slate Hill, New York 10973
  Attn: Fire Chief / James Gayler

According to Chapter 72 “Cultural Resources Management Law” prior to granting Site Plan Approval, Subdivision Approval, and any other approval required by the Town of Wawayanda Planning Board, the Planning Board shall make a determination on whether the property is likely to contain significant cultural resources based upon preliminary inquiry. If a submittal is necessary, please provide the Planning Board Secretary with a complete submittal to be sent out. You need only to make this submittal once, (unless you do not receive a response).

Office of Parks, Recreation, and Historic Preservation
Ms. Ruth Pierpont
Field Service Bureau
P.O. Box 189, Waterford NY 12188
For all the above required submittals a cover letter MUST accompany said map explaining the project and date schedule on the agenda, and requesting the agencies review for that meeting.

**Eleven Copies:**

Eleven copies of all paperwork are to be submitted. This includes cover letters, drainage calculations etc. Submittal will NOT be complete unless all copies are supplied.

The Planning Board Secretary is not responsible to make copies to distribute to the board members; it is the applicant’s responsibility. Failure to provide the Board and its consultants with the proper copies of paperwork may result in being taken off the agenda.

The Planning Board Secretary may be contacted at the Town Hall, between the hours of 9:00 to 12:30 and 1:30 to 4:00 p.m. Monday through Friday. If you have any questions please call the office at (845) 355–5700.

**ZONING BOOKS:**
May be purchased from the Town Clerk for the fee set by the Town Board. A copy of the Town ordinance may be purchased from the Town Clerks Office.

**MINUTES:**
Requests for copies of any minutes of any scheduled meeting can be purchased for a fee per Town Law Section 30.63

**FEES:**
The fee schedule is attached. Please read over so that you know what charges you will be billed for. Please review fee schedule enclosed for the hourly rate of our consultants. Requests made by all outside agencies will be charged according to the time, research time, material and postage.
STATUS:

If there has been a year without contact between the applicant and the Town of Wawayanda the secretary will close out the application for non-action. New application and fees will be required if the applicant wishes to proceed. It is the applicant’s responsibility to contact the Town of Wawayanda with regards to any application before the board.

MEETING PROCEDURES

INFORMAL APPLICATIONS:
All new proposed applications before the Town of Wawayanda Planning Board need to appear at an informal meeting which is the second Wednesday of the month, as long a submittal is made in the required time frame of ten working days.

COMMERCIAL APPLICATIONS:
All Commercial applications before the Town of Wawayanda Planning Board may submit for either a regular meeting or a work session. As long as the submittal is complete and within the required time frame you may be placed on either agenda.

RESIDENTIAL APPLICATIONS:
Residential applications are required to submit for the work sessions which are held every fourth Wednesday of the month. Once the application is ready for action the application will be placed on a regular meeting night.

PUBLIC HEARING PROCEDURE:

Once a Public Hearing has been set by the Town of Wawayanda Planning Board, the secretary will prepare the legal Public Hearing Notice and
submit such notice to the Times Herald Record. The applicant is responsible for the preparation of the mailing list and a copy MUST be provided to the town along with the proof of mailing receipts.

The applicant is responsible to send out the legal Public Hearing Notices ten days prior to the scheduled Public Hearing. A Public Hearing fee of $150.00 will be required PRIOR to the notice of Public Hearing being submitted to the Times Herald Record. The mailings are to be sent **Certified Return Receipt** on or before the publication date which will be given to you by the Planning Board secretary. You MUST save the white and green receipts and return to the Planning Board secretary on or before the scheduled Public Hearing date. If you are going to cancel the Public Hearing date for any reason, you must notify the secretary as soon as possible. If the cancellation comes before the submittal of the legal ad to the paper, no fees will be required. (The secretary is required to submit to the local paper three to four days prior to placement of the ad in the paper.) If the cancellation has come after that time frame you **WILL BE RESPONSIBLE** for the fees associated with your Public Hearing.

The Short Form Environmental Assessment link is below. Click on it to obtain the form you need in order to make your submission. You **must** submit a short form EAF with your initial application. You can complete this form at:

[www.dec.ny.gov/eafmapper](http://www.dec.ny.gov/eafmapper)

Edward Horan
Town Historian
Recreation Fee Note

“Each residential, industrial and commercial subdivision and site plan contribute recreational fees calculated on the basis of the gross floor area of new construction resulting from new subdivisions and site plans”

This local law was filed with the Secretary of State and any approvals granted after April 14, 2003 shall have a note attached to the plat stating so.
AGRICULTURAL MAP NOTES

It is the policy of the State of New York and the Town of Wawayanda to conserve, protect, and encourage the development and improvement of Agricultural Land for the production of food and other products and also for its natural and ecological value. This notice is to inform prospective residents that the property they are about to acquire lies partially or wholly within an agricultural district and that FARMING ACTIVITIES are the MAIN LAND USE occurring within the district. Such farming activities may include but not be limited to the following activities:

1. That FARMING does not only occur between 8:00 a.m. and 5:00 p.m. and is dependent on mother nature. Residents should be aware of NOISE FROM AGRICULTURAL MACHINERY being operated in nearby fields on both EARLY MORNING AND EVENING HOURS and noise from crop drying fans which are RUN 24 HOURS A DAY during the harvesting season.

2. That the roads leading to and from the subdivision area frequently traveled by farmers and their SLOW MOVING FARM VEHICLES and EQUIPMENT.

3. That farm neighbors very often SPRAY THEIR CROPS with pesticides in accordance with ACCEPTED PRACTICES REGULATED by the New York State Department of Environmental Conservation.

4. That existing agricultural operations may CREATE BOTH UNAVOIDABLE ODORS and UNSIGHTLINESS commonly associated with farming operations in THIS AREA.

5. That there are DANGERS of letting CHILDREN and PETS roam into any adjacent field which is private property.

6. That residences for seasonal farm laborers are an accessory use to farming activities in the agricultural zones.

7. BE ADVISED of the possible nuisance of blowing dust and black dirt caused by windstorms in this area.
Town of Wawayanda Planning Board
Subdivision Checklist

Applicant’s Name: ______________________________________________________

Tax Map Number: ______________________

I. The following items shall be submitted as part of the Planning Board Application Process.
   1. _______Planning Board Application.
   2. _______Environmental Assessment Form.
   3. _______Application Fees.
   4. _______Completed Checklist.
   5. _______Site Inspection Authorization.
   6. _______Owner’s Endorsement.
   7. _______Application Fee and Supporting Calculations.
   8. _______Provide eleven (11) copies of the subdivision plat. Multiple plan sets must be correlated packages. The original must be identified.

II. The following checklist items shall be incorporated on the Subdivision Plan prior to consideration of being placed on the Planning Board Workshop Agenda other than for informal discussion.
   1. _______Name and address of Applicant.
   2. _______Name and address of Owner.
   3. _______Subdivision name and location.
   4. _______Tax Map Data (Section-Block-Lot).
   5. _______Location Map at a scale of 1’= 2,000ft.
   6. _______Date of plat preparation and/or date of any plat revisions.
   7. _______Scale the plat is drawn to and North Arrow.
   8. _______Zoning table showing what is required in the particular zone and what applicant is proposing.
   9. _______Show zone boundary if any portion of proposed subdivision is within or adjacent to a different zone.
   10. _______Designation (in title) if submitted as Sketch plan, Preliminary Plan or Final Plan.
   11. _______Surveyor’s certification, seal and signature.
12. __________ The name of adjoining owners within two hundred (200) feet of the property.

13. __________ The location of existing wetlands and 100 foot buffer zone with an appropriate note regarding DEC requirements.

14. __________ Flood elevations and boundaries.

15. __________ Name and width of adjacent street; the road boundary is to be minimum of 25ft. from the physical centerline of the street.

16. __________ Lot area.

17. __________ Applicable note pertaining to owner’s review and concurrence with plat together with the owner’s signature.

18. __________ Show any existing improvements, i.e. drainage systems, water lines, sewer lines, etc (including location, size and depths).

19. __________ Show all existing houses, accessory structures, existing wells and septic systems within 200 ft. of the parcel to be subdivided.

20. __________ Show existing grade by contour (2ft. interval preferred) and indicate source of contour data.

21. __________ Indicate any reference to previous, i.e. file map date; file map number and previous lot number.

22. __________ General site conditions, including, but not limited to, orchards, cornfields, hedges and other ornamental landscaping, wooded area, wet areas, existing structures, stone walls, lanes and existing improvements within the portion to be subdivided and within 100 ft thereof.

23. __________ Provide 4” wide by 2” high box in area of title box (preferably lower right corner) for use by Planning Board in affixing Stamp of Approval.

24. __________ Boundaries of special districts such as school, fire, water etc.

25. __________ Existing lakes, ponds, streams (including stream classification) watercourses, wetlands, wet areas, drainage ways and all drainage structures in and near the subdivision and those which may be impacted by the subdivision.

26. __________ The locations of all isolated trees over one foot in diameter, four feet above ground level and other significant site features.

27. __________ Proposed lot lines with final and accurate metes and bounds, dimensions, lot acreage and building setback lines. Lots shall be consecutively numbered including any existing residential lot.

28. __________ Suitable subsurface sewer disposal absorption system design and suitable fifty-percent-reserve areas or other proposed means of sewage disposal. The design should include results
of two (2) percolation and two (2) deep pit tests to ascertain subsurface soil, rock and groundwater conditions.

29. _______ A Town representative is required to witness and validate one deep pit test and one percolation test results for each proposed septic system to ascertain the subsurface soil, rock, and groundwater conditions at the proposed absorption field locations.

30. _______ Proposed water supply. Either individual well designs or connection with existing water supply system to provide water for domestic consumption and fire protection.

31. _______ Number the lots including residual lot.

32. _______ Drainage plan, including drainage calculations necessary to support the sizing of proposed drainage structures and verify that no adverse impact on existing drainage will result. Watersheds and drainage structures, both upstream and downstream of the site, must be considered. Proposed drainage structures shall be shown, including location, type and size. Inverts, pipe size and material shall be shown on the plans. Drainage calculation shall contain page numbers and date of preparation and date of revisions. Said calculations shall be prepared in a manner so that revisions and updates can be easily made throughout the review process, thus maintaining the ability of retaining an up-to-date drainage report without having to submit the drainage report in its entirety to accommodate changes.

33. _______ Proposed grading plans.

34. _______ Erosion and sedimentation control plan in conformance with state guidelines, which included temporary and permanent methods of stabilization.

35. _______ Proposed name(s) of streets, with road profiles including existing grades, proposed centerline grades, vertical curves, utilities, drainage structures and other improvements.

36. _______ Indicate location of proposed street or area lighting (if proposed).

37. _______ Proposed land reservations for recreation, park or open space or other public or private use.

38. _______ All parcels of land proposed to be dedicated to public use and the conditions of such dedication.

39. _______ Show existing natural site constraints. Constraints should be highlighted or colored for review. The following constraints should be identified:
   - Slopes: 0-10%, 10-15%, 15-20%, and greater than 20%
   - Significant agricultural soils
- Wetlands and wetland buffers
- Streams
- Floodplains

40. Submit a separate map sheet with an aerial photograph of the project site, including proposed lot lines. Aerials may be obtained http://propertydata.orangecountygov.com

41. The proposed limits of disturbance and clearing should be shown on the Plan. The total area of soil disturbance is to be reported on the drawing as a note or in a table. Also, the area of soil disturbance for each proposed lot is to be reported.

42. Include the following Note regarding Recreation Fees: "Each Residential, Industrial, Commercial Subdivision or Site Plans shall contribute recreational fees calculated on the basis of gross floor area for all new construction."

43. Show driveway profiles.

44. An inquiry as to presence of Natural Heritage Important Areas is to be sent to: NY Natural Heritage Program

625 Broadway, 5th floor, Albany, New York 12233-4757

Copies of inquiries and responses to be submitted.

This list is provided as a guide only and is for the convenience of the Applicant. The Town of Wawayanda Planning Board may require additional notes or revisions prior to granting approval.

Preparer’s Acknowledgement:

The plat for the proposed subdivision has been prepared in accordance with this checklist and the Town of Wawayanda Ordinances, to the best of my knowledge.

Town of Wawayanda Planning Board
Site Plan Checklist

Applicant’s Name: ____________________________________________

Tax Map Number: ________________________________

I. The following items shall be submitted as part of the Planning Board Application Process.
   1. Planning Board Application.
   2. Environmental Assessment Form.
   3. Application Fees.
   5. Site Inspection Authorization.
   6. Owner’s Endorsement.
   7. Application Fee and Supporting Calculations.
   8. Provide eleven (11) copies of the site plan. Multiple plan sets must be correlated packages. The original must be identified.

II. The following checklist items shall be incorporated on the Site Plan prior to consideration of being placed on the Planning Board Workshop Agenda other than for informal discussion.
   1. Name and address of Applicant.
   2. Name and address of Owner.
   3. A copy of the deed (only if there is new property owner for the subject parcel).
   4. Site Plan title and location.
   5. Tax Map Data (Section-Block-Lot).
   6. Location map at a scale of 1"=2,000 ft.
   7. Date of preparation and/or date of any plan revisions.
   8. Scale the site plan is drawn to and a north arrow.
   9. Zoning table showing what is required in the particular zone and what applicant is proposing.
10. The name of adjoining owners within two hundred (200) feet of the property.

11. The location, width and purpose of all existing easements reservations and areas dedicated to public use within or adjoining the property.

12. A complete outline of all deed restrictions or covenants applying to the property.

13. Show any existing improvements, i.e. drainage systems, waterline, sewer lines, existing well and septic systems, etc. within 200 ft. of the property (including location, size and depths).

14. Show existing grade by contour (2 ft. interval preferred and indicate source of contour data.

15. Flood elevations and boundaries.

16. Indicate any reference to previous, i.e. file map date, file map number and previous lot number.

17. The location of existing wetlands and 100 foot buffer zone with an appropriate note regarding DEC requirements.

18. The location, names and present widths of existing streets.

19. The location and size of all proposed buildings or structural improvements and proposed first floor elevation of all buildings.

20. The location and design of off street parking and loading areas.

22. Erosion and sedimentation control plan in conformance with state guidelines, which includes temporary and permanent methods of stabilization.

23. The location, direction, power and time of use for any proposed outdoor lighting or public access systems. Off-site lighting, including private area lighting provided by Orange and Rockland, impacting the project site should be demonstrated on the plans.

24. The location and plans for all outdoor signs.

25. Suitable surface sewage disposal absorption system design and suitable fifty-percent-reserve areas or other proposed means of sewage disposal. The design shall include results of two (2) percolation and two (2) deep pit tests to ascertain subsurface soil, rock and groundwater conditions.
26. ________ A Town representative is required to witness and validate one deep pit test and one percolation test results for each proposed septic system to ascertain the subsurface soil, rock, and groundwater conditions at the proposed absorption field locations.

27. ________ Proposed water supply. Either individual well designs or connection with existing water supply system to provide water for domestic consumption and fire protection.

28. ________ Drainage plan, including calculations necessary to support the sizing of the proposed drainage structures and verify that no adverse impact on existing drainage will result. Watersheds and drainage structures, both upstream and downstream of the site, must be considered. Proposed drainage structures shall be shown, including location, type, and size. Inverts, pipe size and material shall be shown on the plans. Drainage calculation shall contain page numbers and date of preparation and date of revisions. Said calculations shall be prepared in a manner so that revisions and updates can be easily made throughout the review process, thus maintaining the ability of retaining an up-to-date drainage report without having to submit the drainage report in its entirety to accommodate changes.

29. ________ If the site plan only indicates a first stage, an overall conceptual plan shall indicate ultimate development.

30. ________ Architectural drawings illustrating building elevations and all exterior characteristics.

31. ________ An outline of any proposed deed restrictions or covenants.

32. ________ Show existing natural site constraints. Constraints should be highlighted or colored for review. The following constraints should be identified:
   - Slopes: 0-10%, 10-15%, 15-20%, and greater than 20%
   - Significant agricultural soils
   - Wetlands and wetland buffers
   - Streams
   - Floodplains

33. ________ Submit a separate map sheet with an aerial photograph of the project site, including proposed lot lines. Aerials may be obtained from [http://propertydata.orangecountygov.com](http://propertydata.orangecountygov.com)

34. ________ The proposed limits of disturbance and clearing should be shown on the Plan. The total area of soil disturbance is to be reported on the drawing as a note or in a table. Also, the area of soil disturbance for each proposed lot is to be reported.
35. Include the following Note regarding Recreation Fees: "Each Residential, Industrial, Commercial Subdivision or Site Plans shall contribute recreational fees calculated on the basis of gross floor area for all new construction."

36. An inquiry as to presence of National Heritage Important Areas is to be sent to: NY Natural Heritage Program

625 Broadway, 5th floor, Albany NY 12233-4757

According to Chapter 72, “Cultural Resources Management Law”, prior to granting site plan approval, subdivision approval or any other approval required by the Town of Wawayanda Planning Board shall make a determination of whether the property is likely to contain significant cultural resources based upon a Preliminary Inquiry.

The Planning Board may waive the requirements set forth in sub-section 72–2 on applications for approval where the area to be disturbed by building or development is less than 2500 square feet and the Planning Board believes that the proposes of the Cultural Resources Management Law will not be substantially impaired.
